ADMISSIONS

The Board of Education requires that each child who registers for entrance to school furnish the following:

- birth certificate
- immunization record
- proof of custody as appropriate
- proof of residence in Marysville Exempted Village School District

ARRIVAL

CIS students walking or being transported by parents may enter the building at 8:25 a.m. The first period class begins at 8:40 a.m. Bus students are to go directly to their classroom upon arrival at school and remain in their classroom. CIS is not responsible for the supervision of students before 8:25 a.m. and School Age Child Care (SACC) students are the only students permitted to enter the building before 8:25 a.m.

ATTENDANCE

Students are expected to attend school regularly and to be on time to develop habits of punctuality, self-discipline and responsibility. Students must be in regular attendance if they are to derive benefits from our educationally focused activities.

Continuity in the learning process is seriously disrupted by excessive absence. Students who have good attendance generally achieve higher grades, enjoy school more and are better prepared for college and/or careers.

Due to Ohio Revised Code, school district's must track student attendance in hours/minutes.

Excused Absences

The following reasons for excused absence are established by State law and by regulations of the Ohio Department of Education and are adhered to by the Marysville Exempted Village School District (MEVSD):

1. Personal illness of the student (see medical absences for more information)
2. Illness in the home necessitating the presence of the child
3. Quarantine of the home by local health officials
4. Death of a relative (limited to three days unless reasonable cause can be shown for a longer absence)
5. Observance of a religious holiday consistent with the student's established creed or belief
6. College visitation
7. Absence due to a student being homeless
8. Alternate Learning Experiences: ALE's must be approved by the building principal(s) at least two weeks (or ten school days) before the absence occurs

Medical Absences

The most common reason for absence is personal illness. The following are MEVSD policies governing the excuse of absence for medical reasons.

1. Parent Excused:
 - a. Parents may excuse an absence due to a child's personal illness. A parent or guardian may excuse up to 6 instances for K-12 students. Doctor excused absences, administrative excused absences, and other forms of excused absence do not count toward this total. When the 6 parent excused absence limit is reached for personal illness, the building administration has the discretion to require supporting medical documentation to excuse absences beyond that limit. If required, you will be notified by your child's school office via mail and or phone. If medical documentation is required and not provided, absences will be marked as unexcused for the remainder of the school year if a parent excused absence occurs.
2. Doctor Excused
 - a. Please submit doctor's notes to the school office upon the return of your child to school.

Unexcused Absences, Intervention Plan and Habitual Truancy

Absences not covered under the excused absence policy are marked unexcused. The accumulation of multiple unexcused absences may result in the following actions in alignment with district policy and Ohio Revised Code.

Marysville Schools strive to reduce truancy through cooperation with parents, diligence in investigating the causes of absence and use of strict guidelines in regards to unexcused absence.

When building administration determines that a student has been habitually truant and that the parent, guardian or other person having care of a child has failed to ensure the child's attendance at school, State law authorizes Marysville Schools to require the parent to attend an educational program. The school must investigate any case of supposed truancy within the district and must warn the child, if found truant, and the child's parent in writing of the legal consequences of being a "habitual" truant.

A "habitual truant" is any child of compulsory school age who is absent without a legitimate excuse for 30 or more consecutive hours, 42 or more hours in one month, or 72 or more hours in a school year. The parent is required to have the child attend school immediately after notification.

Regarding "habitual truants," the school must take as an intervention strategy any appropriate action contained in Board policy and or allowable by State law. School administration will use a continuum of strategies to reduce student absence including, but limited to:

1. Notification of student absence standing to parent or guardian
2. Provide a truancy intervention plan which meets requirements according to State law for any student who is a habitual truant;
3. Provide counseling via a school guidance counselor for a habitual truant;
4. Request or require a parent or guardian of a habitual truant to attend parental involvement programs;
5. Request or require a parent of a habitual truant to attend truancy prevention mediation programs;
6. Notification to the registrar of motor vehicles;
7. Taking legal action.

Truancy Intervention Plan

When a student's absences meets the threshold for habitual truancy, the following will occur

- Within 7 days of the triggering absence:
 - Building Administrator selects members of the absence intervention team;
 - School makes 3 meaningful attempts to secure the participation of the student’s parent/guardian on the absence intervention team;
 - If the student’s parent/guardian is unresponsive, the district investigates whether the failure to respond triggers mandatory reporting to the appropriate children’s services agency and instructs the absence intervention team to develop the intervention plan without the parent;
- Within 10 days of the triggering absence, the student will be assigned to the selected absence intervention team;
- Within 14 school days after the assignment of the team, the school will develop the student’s truancy intervention plan;
 - The Union County Court Mediator may be a member of the absence intervention team;
- If the student does not make progress on the plan within 60 days or continues to be excessively absent, the school will file a complaint in Union County Juvenile Court no later than the 61st day after the implementation of the truancy intervention plan.

If a student becomes habitually truant within 21 school days prior to the last day of instruction of a school year, the district may either assign a school official to work with the student’s parent/guardian to develop an intervention plan during the summer and implement the plan no later than seven days prior to the first day of instruction of the next school year, or reconvene the absence intervention process on the first day of instruction of the next school year.

Filing a Complaint with Juvenile Court

The attendance officer or building administrator must file a complaint against the student in juvenile court by the 61st day after implementation of the absence intervention plan when:

1. the student’s absences have surpassed the threshold for a habitual truant;
2. the district has made meaningful attempts to re-engage the student through the absence intervention plan, other intervention strategies and any offered alternatives to adjudication and/or;
3. the student has refused to participate in or failed to make satisfactory progress on the plan or any offered intervention strategies or alternatives to adjudication as determined by the absence intervention team.

If the 61st day after the implementation of the intervention plan falls on a day during the summer months, the district may extend the implementation of the plan and delay the filing of the complaint for an additional 30 days after the first day of instruction of the next school year.

Unless the absence intervention team determines the student has made substantial progress on their absence intervention plan, the attendance officer or building administrator must file a complaint against the student in juvenile court if the student is absent without legitimate excuse for 30 or more consecutive hours or 42 or more hours during a school month at any time during the implementation phase of the intervention plan or other intervention strategy.

Excessive Absence

The school provides notice to the parent of a student who is absent with or without excuse for 38 or more hours in one school month or 65 or more hours in a school year within seven days after the date of the absence triggering the notice. At the time of notice, the District may take any appropriate action as outlined in this policy as an intervention strategy.

Tardiness to Class

Schools are required by Ohio Revised Code to track school attendance by hours/minutes. If you have questions about tardiness to class for buildings who take period by period attendance (grades 7-12), please refer to building level guidelines.

Vacations

Vacations are not classified as an “excused absence” by Ohio Revised Code. Absences associated with a vacation may only be excused if written notice has been given to and approved by the building principal two weeks (or ten school days) PRIOR to the start of the trip. Principals have the discretion to excuse these absences by classifying them as an Alternate Learning Experience if sufficient educational rationale is provided by the parent/guardian as well as depending on the child’s attendance and academic standings. Individual teachers will provide students the work missed and determine the time limit for make-up work. It is the responsibility of the student/parent to request all school work missed.

Parents/Guardians Away From Home

When a child will be attending school, yet the parents/guardians will be away on vacation or for other reasons, then the school should be notified prior to this in writing. The duration of the trip and the temporary caretaker’s name and phone number should be included in the note.

Leaving School for Appointments

Students leaving MUST be signed out by the adult picking them up. Children will be released only to the custodial parent or guardian or to an adult designated by the custodial parent or guardian. The office staff will call the student to the office. No student will be released to an adult at the classroom. If someone other than the parent or guardian will pick up the child, the parent or guardian MUST send a note or call the office in advance. A photo ID must be presented, if applicable.

For high school students who drive or walk to school, if a parent/guardian communicates to the school that his/her child is allowed to leave school for an appointment, the child will be released at the appropriate time. It is preferred the parent/guardian communicates with the school the day before the appointment or early in the morning the day of the appointment.

When Your Child is Going to be Absent from School

Ohio law (“Missing Children’s Act”) requires schools to contact parents when a student is absent from school. The intent of the law is to notify parents as soon as possible that their child is not in school in case of kidnapping, truancy or other dangerous situations a child may encounter on the way to school without the parent’s knowledge.

You can help make the Ohio Law protect our students in a very simple way. If your child is going to be absent from school on any day, the following is necessary:

1. Call your child’s school attendance line:

Edgewood: 937-578-6815

Mill Valley: 937-578-6915

Navin: 937-578-7015

Northwood: 937-578-7115

Raymond: 937-578-7215

Creekview: 937-578-6615

Bunsold: 937-578-6415

Marysville High School: 937-578-6215

Marysville Early College High School: 937-578-7315

2. A written note or email by the parent/guardian must accompany your child upon the first day he/she returns to school. This written communication is to be submitted to the school office. The written communication must list the student's name, date of absence, reason for absence and parent/guardian signature. Students are to give absence notes to the homeroom teacher who will then give it to the school office.

BEHAVIOR IN THE CAFETERIA

Students should follow all procedures and rules within the cafeteria as outlined below:

1. **Students should sit immediately at tables upon entering the commons.**
2. **Students must remain seated unless given permission by a staff member to do otherwise.**
3. **Supervisors will establish procedures for table clean-up by students.**
4. **Students will be dismissed by tables after their table has been properly cleaned.**
5. **Students should not bring any belongings to the cafeteria except lunchboxes (coats if outdoor recess).**
6. **Students should not ask nor receive money from other students without first bringing these types of inquiries to the attention of lunchroom staff for approval.**
7. **Students should not leave the commons with any food or beverage.**

BICYCLES

Parents are expected to discuss safe riding practices with their children.

Students that intend to ride bicycles to school must follow these rules:

- a. Only one person on a bike
- b. Walk bikes on school grounds
- c. Park in designated area
- d. Follow safety rules
- e. Obey any safety patrol on the way to and from school.
- f. The school will not be responsible for damaged or stolen bikes while on school property.

BOOK BAGS

Book bags (and other bags used to carry books, supplies, clothing, athletic equipment), may be used to transport books and supplies to and from school, but are to be placed in the student's locker/cubby upon arrival at school. These bags are to remain in the locker/cubby until the student leaves the building for the day.

BUS CONDUCT

The following regulations pertain to school bus conduct and are intended to ensure the safety and welfare of the students, the bus driver and other drivers on the road and to ensure safety and proper maintenance of school busses.

Students should:

1. Be careful in approaching bus stops; walk on the left, facing oncoming traffic and be sure that the road is clear both ways before crossing the highway.
2. Arrive at the bus stop before the bus is scheduled to arrive to permit the bus to follow the time schedule.
3. Wait in a location clear of traffic and away from the bus stop/place of safety.
4. Not engage in behavior at the bus stop that threatens life, limb or property of any individual.

5. Go directly to assigned seat (if applicable) or first available seat so the bus may safely resume motion. Bus drivers have the right to assign a student to a seat in the bus and to expect reasonable conduct similar to conduct expected in the classroom.
 6. Reach assigned seat in the bus without disturbing or crowding other students and remain seated while the bus is moving, keeping aisles and exits clear.
 7. Obey the driver promptly and respectfully and recognize that he/she has an important responsibility and that it is everyone's duty to help ensure safety.
 8. Keep the bus clean and sanitary; refrain from chewing gum or consuming candy, food or drinks on the bus at any time.
 9. Not use, possess, or transfer tobacco, alcohol, or drugs on the bus except for prescription medication required for a student, but only if prior approval for the prescription drug has been obtained in accordance with Board policy.
 10. Not use, possess, or transfer firearms, ammunition, weapons, explosives, or other dangerous materials or objects on the bus.
 11. Not bring animals on the bus, except those intended for special needs assistance, in accordance with a student's written IEP or 504 plans.
 12. Keep head, hands, and all objects inside buses at all times and not throw or pass objects on, from or into the bus.
 13. Carry on the bus only objects that can be held in their laps. Equipment such as music instruments, athletic uniforms, etc. which cannot be held by students in their seats, shall be stored in the rear of the bus. When it is necessary to transport such equipment concurrently with students, space shall be provided to comply with this rule without having students stand on the bus. Equipment required in the assistance of preschool and special needs children shall be safely and properly secured. A clear aisle to the exit door must be maintained at all times.
 14. Not engage in loud talking or laughing; unnecessary confusion diverts the driver's attention and might result in a serious accident.
 15. Be courteous to fellow students and to the bus driver.
 16. Treat bus equipment as one would treat valuable furniture in his/her home (damage to the school bus is strictly forbidden).
 17. While waiting to exit the bus, remain seated until the bus stops, and wait for the signal from the bus driver. Always cross in front of the bus.
 18. Leave or board the bus only at locations to which the student has been assigned unless the student has parental and administrative permission to do otherwise.
 19. All policies of the Marysville Exempted Village School District regarding student conduct, substance abuse, etc. apply to students riding MEVSD school buses.
- Riding to school is a privilege and convenience. Failure to follow these regulations or any policy of the MEVSD regarding a student's conduct, may result in his/her forfeiting the privilege of transportation by school bus for up to the balance of the current school year. A student who is to be suspended under these regulations will be provided with notice of the intended suspension from school bus riding and an opportunity to appear before the superintendent or other district personnel before the suspension is imposed.

Bus Stop Behavior

1. The school is responsible for supervision of students only while they are on school property and during school hours. Once they leave school property this becomes the responsibility of the parents. The school will cooperate with parents in stressing the rules of safety to and from school.
2. While misbehavior that occurs off school property is generally a parent or police matter, the District will take appropriate disciplinary action for violations of the Code of Conduct occurring at a bus stop either immediately before pick up or immediately after drop off, if the misconduct is connected to activities or incidents that have occurred on school property.

Bus - Going Home with a Friend

1. Permission is dependent on emergency situations only

2. A bus student cannot take a friend home on the bus unless PRIOR permission is given by the District Transportation Department .
3. BOTH students involved must bring a note from their parents.
4. The Transportation Department will notify the bus driver.
5. If approved, a signed permission slip from the school office will be given to your student before dismissal.

*This transportation policy assists in the avoidance of miscommunications between the school staff and parents.

CAMERAS (Surveillance)

Cameras have been placed throughout areas of the building. All cameras are operable.

- Do not pick up your child until after the announced time, as classes do continue until dismissal.
- Early dismissals will be announced via the district School Electronic Communication System phone system, posted to the district website, and communicated to radio and TV stations. Please do not call the school.

CHANGE OF CONTACT INFORMATION

It is essential that every parent maintain an up to date address and telephone number on record for their child in the school office. Notify the school immediately if you have a change of address or telephone number, employment, marital status, childcare provider, or emergency contacts during the school year.

CUSTODY

Parents have an obligation to inform the school anytime the custody of a child changes. School officials will need to see a complete copy of court orders pertaining to a child’s custody.

DISMISSAL PROCEDURE (END OF SCHOOL DAY)

Students who walk and students who are picked up are expected to go to their destinations for dismissal. Parents or persons picking up students should make arrangements in advance to meet the children at one of the designated pick up points. Do not pick up students before dismissal time, or pick up students from their classroom. Students should understand the rules of dismissal for their school and they should not leave the school except the way in which their parents have directed them with school approval. If a student has questions about how they are to go home, they should check with their teacher or the office staff. Any variation from the child’s usual dismissal arrangements should be verified by a note from the parent.

For the safe transfer of students to the “pick up vehicles”, parents are encouraged to allow their child/children access to the motor vehicle on the side facing the sidewalk. Students must wait for the designated vehicle to approach the sidewalk. Students will be guided into vehicles as parents near the pick up area by a member of the staff. Parents are requested NOT to park in the lot and walk through dismissal traffic to retrieve their child or instruct students to walk through dismissal traffic to meet parents or anyone, (family member, friend, neighbor, etc.) that may be picking up students.

Students should not remain on school property without parental consent. Staff is not responsible for supervision of any student beyond dismissal time.

DISRUPTIVE/DANGEROUS ITEMS

Students are not to bring any item to school that is disruptive to the educational process and/or is considered potentially dangerous.

DRESS CODE

Student dress is to be appropriate to the school setting as determined by the school administrators. Student dress is defined as what is worn (clothing, make-up, hair style/color, tattoos, body piercing), and how it may be perceived by students, staff, and administration. Student dress should be safe, healthy, and not be a distraction. It should also not be offensive, intimidating, or worn in an unduly revealing manner. Student dress associated with alcoholic beverages, tobacco products, or drugs will not be permitted. In addition, no article of clothing or tattoos shall contain obscene, profane, or sex-related words, messages, symbols, or pictures. More specifically, in regard to student dress:

Students should know exit routes and tornado drill locations. Fire exit routes and tornado drill location signs are posted in classrooms. During drills, students are to move quietly to the proper location and follow the directions of the supervising staff members.

EMERGENCY INFORMATION

Parents are responsible for completing an *Emergency Medical Form* on an annual basis. It is also the parent’s responsibility to keep all information current. P = Proficient – consistently performs at grade level expectations

L = Limited – consistently performs below grade level expectations and requires support

Parents are encouraged to call the school to set up conferences with teachers to discuss a student's progress at any time during the school year.

Report Cards

Creekview Intermediate Interim Report Card grades are available at the midpoint of each trimester by logging on to Power School to view your child's current grades. Creekview Intermediate Report Card grade cards are available on Power School shortly after the end of each trimester. Grades are assigned for all courses in which the student is currently enrolled. Paper copies will be made available to any student who has a D or F in a core subject at that time or any parent without email or internet access. Parents are encouraged to contact teachers to arrange conferences or discuss a student's progress at any time during the school year.

Promotions and Retentions

The Marysville Board of Education recognizes that the personal, social, physical, and educational growth of children will vary and that they should be placed in the educational setting most appropriate to their needs at the various stages of their growth.

It shall be the policy of the Board that each child is moved forward in a continuous pattern of achievement and growth that is in harmony with his/her own development. Such pattern should coincide with the system of grade levels established by the Board and the instructional objectives established for each.

A student will be moved to the succeeding grade level when he/she has:

- a. Completed the course requirements at the presently assigned grade.
- b. In the opinion of his/her teachers, achieved the instructional objectives set for the present grade.
- c. Demonstrated sufficient proficiency to permit him/her to move ahead to the education program of the next grade.
- d. Demonstrated the degree of social, emotional and physical maturation necessary for a successful learning experience in the next grade.

Procedures for promotion and retention of students:

- a. Every effort will be made early in the school term to identify students who are having difficulty with class work. Assistance by the classroom teacher and parent and school supportive services (e.g., guidance counselors, remedial reading teachers, tutors, school psychologist, etc.) will be provided. Every effort will be made to remediate the student's difficulties before he/she is retained.
- b. In the event that improved performance is not shown after the above actions, the parents will be notified of the situation and of the possibility of retention of a student at grade level.
- c. In making the decision of whether to retain a student, the recommendation of the classroom teacher will be considered.
- d. In the event a student is to be retained, a letter indicating such retention will be sent to the parents by the building principal. Failure in reading and/or math shall be the basis but not the sole criteria for retention. A

conference will be scheduled in which the principal will make recommendations including the possibility of remedial instruction (including Summer school) or tutoring to attempt to help the student. Placement of a student into the next grade may involve extenuating circumstances and is made upon the recommendation of the building principal.

e. A student who is truant (unexcused absences) for more than 10% of the required attendance days of the current school year and has failed two or more of the required curriculum subject areas in the current grade is retained unless the student's principal and the teachers of the failed subject areas agree that the student is academically prepared to be promoted to the next grade level.

f. Retention at the Third Grade may also occur as a result of failing to achieve the indicated score on the Third Grade Ohio Achievement Assessment in Reading, according to the Third Grade Reading Guarantee.

g. The building principal will have the final responsibility for recommending to the Superintendent whether to promote or retain each student.

HARASSMENT

The MEVSD is committed to providing an environment that is free from unlawful harassment. Therefore, harassment of any kind will not be tolerated. This includes harassment based on race, color, national origin, citizenship, religion, sex, economic status, age, disability, sexual orientation or military status. Such behavior is offensive, lowers morale and interferes with the overall objectives of the school district and will not be tolerated.

Sexual harassment is deliberate or repeated behavior of a sexual nature that is unwelcome. It can include verbal, non-verbal and/or physical behaviors. All persons associated with the MEVSD are expected to conduct themselves at all times so as to provide an atmosphere free from sexual harassment. Sexual harassment, occurring inside or outside of District buildings, on other District-owned property or at school-sponsored social functions/activities is illegal and unacceptable and will not be tolerated.

HAZING AND BULLYING

Please see the Student Conduct Code; Part I- Rights and Responsibilities.

IMMUNIZATIONS

In order to safeguard the school community from the spread of certain communicable diseases and in recognition that prevention is a means of combating the spread of disease, the Board requires all students to be immunized against poliomyelitis, rubeola (measles), diphtheria, rubella (German measles), mumps, pertussis (whooping cough), tetanus, hepatitis B, and varicella (chicken pox) in accordance with state statutes, unless specifically exempt for medical or other reasons. Required immunizations prior to entering school:

- **DPT**- 4 doses required- 5th dose required if 4th dose given *before* 4th birthday
- **A Tdap booster is required after age 11 (around 7th grade). A dose of Tdap or Td vaccine must be administered *prior* to entry.)**
- **Polio**- 3 doses required; booster required if 3rd dose given *before* 4th birthday
- **Measles/Mumps/Rubella**- 2 doses required; 1st dose must be given *after* child's 1st birthday
- **Hepatitis B**- 3 doses required for all students Grades K-11
- **Varicella**- 2 doses required for Grades K-2 and 1 dose required for Grades 3-6.

***Children who do not have evidence of proper immunization will be excluded from school after fourteen (14) days, in accordance with Ohio Revised Code sections 3313.67 and 3313.671.**

INSURANCE (STUDENT PLAN)

School insurance is available to all students. Information will be sent home with each child at the beginning of the school year. Forms are available throughout the year in the school office. Purchase of the insurance coverage is at parent option and expense.

COMPUTER/ONLINE SERVICES (Acceptable Use and Internet Safety)

Technology can greatly enhance the instructional program, as well as the efficiency of the District. The Board recognizes that careful planning is essential to ensure the successful, equitable and cost-effective implementation of technology-based materials, equipment, systems and networks.

Computers and use of the District network or online services support learning and enhance instruction, as well as assist in administration. For purposes of this policy, computers include District-owned desktop computers, laptops, tablets and other mobile computing devices.

All computers are to be used in a responsible, efficient, ethical and legal manner. Failure to adhere to this policy and the guidelines below will result in the revocation of the user's access privilege. Unacceptable uses of the computer/network include but are not limited to:

1. violating the conditions of State and Federal law dealing with students' and employees' rights to privacy, including unauthorized disclosure, use and dissemination of personal information;
2. using profanity, obscenity or other language which may be offensive to another user or intended to harass, intimidate or bully other users;
3. accessing personal social networking websites for non-educational purposes;
4. reposting (forwarding) personal communication without the author's prior consent;
5. copying commercial software and/or other material in violation of copyright law;
6. using the network for financial gain, for commercial activity or for any illegal activity;
7. "hacking" or gaining unauthorized access to other computers or computer systems, or attempting to gain such unauthorized access;
8. accessing and/or viewing inappropriate material and
9. downloading of freeware or shareware programs.

The Superintendent/designee shall develop a plan to address the short- and long-term technology needs and provide for compatibility of resources among school sites, offices and other operations. As a basis for this plan, he/she shall examine and compare the costs and benefits of various resources and shall identify the blend of technologies and level of service necessary to support the instructional program.

Because access to online services provides connections to other computer systems located all over the world, users (and parents of users who are under 18 years old) must understand that neither the school nor the District can control the content of the information available on these systems. Some of the information available is controversial and sometimes offensive.

The Board does not condone the use of such materials. Employees, students and parents of students must be aware that the privileges to access online services are withdrawn from users who do not respect the rights of others or who do not follow the rules and regulations established. A user's agreement is signed to indicate the user's acknowledgment of the risks and regulations for computer/online services use. The District has implemented technology-blocking that protect against access by both adults and minors to visual depictions that

are obscene, child pornography, or, with respect to the use of computers by minors, harmful to minors. The District has also purchased monitoring devices which maintain a running log of Internet activity, recording which sites a particular user has visited.

“Harmful to minors” is defined as any picture, image, graphic image file or other visual depiction that:

1. taken as a whole and with respect to minors appeals to a prurient interest in nudity, sex or excretion;
2. depicts, describes or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts or a lewd exhibition of genitals and
3. taken as a whole, lacks serious literary, artistic, political or scientific value as to minors.

The District will educate minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. The Superintendent/designee will develop a program to educate students on these issues.

Annually, a student who wishes to have computer network and Internet access during the school year must read the acceptable use and Internet safety policy and submit a properly signed agreement form. Students and staff are asked to sign a new agreement each year after reviewing the policies and regulations of the District. These policies and regulations also apply to use of District-owned devices, or accessing of District intranet off District property.

The following guidelines and procedures shall be complied with by staff, students or community members who are specifically authorized to use the District’s computers or online services.

1. Use appropriate language. Do not use profanity, obscenity or other language which may be offensive to other users. Illegal activities are strictly forbidden.
2. Do not reveal your personal home address or phone number or those of other students or colleagues.
3. Note that electronic mail (email) is not guaranteed to be private. Technology coordinators have access to all messages relating to or in support of illegal activities and such activities may be reported to the authorities.
4. Use of the computer and/or network is not for financial gain or for any commercial or illegal activity.
5. The network should not be used in such a way that it disrupts the use of the network by others.
6. All communications and information accessible via the network should be assumed to be property of the District.
7. Rules and regulations of online etiquette are subject to change by the administration.
8. The user in whose name an online service account is issued is responsible for its proper use at all times. Users shall keep personal account numbers and passwords private. They shall use this system only under the account numbers issued by the District.
9. The system shall be used only for purposes related to education or administration. Commercial, political and/or personal use of the system is strictly prohibited. The administration reserves the right to monitor any computer activity and online communications for improper use.
10. Users shall not use the system to encourage the use of drugs, alcohol or tobacco nor shall they promote unethical practices or any activity prohibited by law or Board policy.
11. Users shall not view, download or transmit material that is threatening, obscene, disruptive or sexually explicit or that could be construed as harassment, intimidation, bullying or disparagement of others based

- on their race, color, national origin, ancestry, citizenship status, sex, sexual orientation, age, disability, religion, economic status, military status, political beliefs or any other personal or physical characteristics.
12. Copyrighted material may not be placed on the system without the author's permission.
 13. Vandalism results in the cancellation of user privileges. Vandalism includes uploading/downloading any inappropriate material, creating computer viruses and/or any malicious attempt to harm or destroy equipment or materials or the data of any other user.
 14. Users shall not read other users' mail or files; they shall not attempt to interfere with other users' ability to send or receive electronic mail, nor shall they attempt to read, delete, copy, modify or forge other users' mail.
 15. Users are expected to keep messages brief and use appropriate language.
 16. Users shall report any security problem or misuse of the network to the teacher, his/her immediate supervisor or building administrator.

LIABILITY OF PARENTS FOR STUDENT MISCONDUCT

Under Ohio law, parents having custody of a minor under the age of 18 are liable for the student's willful damage to school or private property or the theft of such property. The Board of Education, or any other owner of property, can bring a civil action against the parents to recover compensatory damages up to \$10,000.00 and costs of the suit.

In addition, under Ohio law parents having custody of a minor under the age of 18 are liable for the student's willful and malicious assaults on another person by means of force likely to produce great bodily harm. The person assaulted can bring a civil action against the parents to recover compensatory damages up to \$10,000.00 and costs of the suit.

SEARCH AND SEIZURE

Search of School Property

The following rules apply to the search of school property assigned to a specific student (e.g., desk, locker, etc.) and the seizure of items in his/her possession or on his/her person:

1. Desks and/or lockers/cubbies assigned to a specific student remain the property of the school district. Random, unannounced searches of desks and/or lockers and their contents may be conducted.
2. General housekeeping inspection of school property may be conducted with prior notice.
3. Searches of desks or other storage spaces and their contents may be conducted when school authorities have reasonable suspicion to believe that the area being searched contains evidence of a crime or violation of school rules.
4. Items, the possession of which constitutes a crime or violation of school rules, or any other possessions reasonably determined to be a threat to the safety or security of others may be seized by school authorities at any time.

**The Board reserves the right to conduct canine searches.*

Searches of a Student's Person or Personal Property by School Personnel

Principals and their designees are permitted to search the person and/or personal property (e.g., purse, knapsack, backpack, gym bag, etc.) of a student when there is reasonable cause/suspicion to believe that evidence will be obtained indicating the student has violated either the law or school rules/policies/regulations. Ordinarily, search of student's personal property will be for a specifically identified item(s) and will be conducted when possible in the student's presence and with the student's knowledge.

MAKE-UP WORK

The school is obligated to provide make-up work for excused absences. Students or their parents are responsible for requesting make up work immediately upon the student's return to school. If dates of absence are known in advance, the teacher should be notified and planned assignments may be given. In requesting homework for absent students, please request when reporting absence for the day. If the request is made PRIOR to 10:30 a.m. homework will be available from 3:25-4:00 p.m. for pick up, (at the close of the school day). This is necessary to give the teachers time to prepare the homework assignments without interfering with class teaching time. Students are responsible for securing assignments and making up all school work because of excused absences. For each day of excused absence, students will have two school days in which to complete and turn in all missed work. All assignments, including tests, quizzes, etc. must be made up as directed by the individual teacher. It may be necessary for students who have been absent to make up tests, etc., after school or to make other arrangements with the teachers.

MARYSVILLE SCHOOLS SUBSTANCE ABUSE POLICY STATEMENT

The use and abuse of mood altering chemicals in the Marysville community is a problem, as it is throughout the country. The Board of Education, administration and staff of the Marysville Exempted Village Schools recognize a shared responsibility with the entire community to address this issue. The Board recognizes that chemical dependency is an illness which MUST be treated. Since abuse and dependency are detrimental to learning and development of those affected, the Board accepts responsibility to work with the home and community agencies to create a school environment free of chemical use. The Board acknowledges a dual responsibility to discipline users and offer help to those students who need it.

MEDICATIONS

Prescription (Board Policy)

A student bringing prescription medicine to school must have a completed "Administration of Medication Request" form (Form MEVS H-s) on file in the school office. This form must be completed by both the physician who prescribes the medication and the parent or guardian of the student prior to school personnel being permitted to administer medication. The form indicates the name of the student, name of the medication, dosage, possible

side effects, expiration date of the physician's order, etc. A copy of the complete board of education policy on prescription medication is available in the main office of all the elementary schools.

Parents are to personally deliver all prescription medication to the main office at the school. Medication is to be in the original prescription container with the student's name, date, medication name, and dosage on the container label. It is the responsibility of the parent to refill all prescriptions as needed. If a student requires the same medication at home, most pharmacies will provide an extra pill bottle with a duplicate label. School personnel are not responsible for monitoring the supply of medication on hand in the school office for individual students.

School personnel will properly destroy prescription medication left over at the school following the completion of the school year if not picked up by the parent by the last day of school. Leftover medication will not be sent home with the student.

Non-Prescription (Board Policy)

Dispensing of non-prescription medication is discouraged at school. This type of medication should generally be given at home under parent supervision.

Certain procedures must be followed: If a parent feels that it is necessary for a child to have non-prescription medication at school, including but not limited to Advil, Tylenol, Tums, Hydrocortisone cream, cough drops, calamine lotion, he/she should first understand that school personnel will not dispense this medication. Any child who has non-prescription medication should not have more than the dosage for one day and the non-prescription medication should be stored in the original marked container. Also, the child is to have a note from the parent explaining the medication and its use. Medication should be in safe containers; that is, no glass, sharp objects, or such things that could be dangerous to themselves or others. Upon arrival at school, the child is to give the note explaining the medication and show the medication to the nurse/health professional in the clinic. Students are to report to the health clinic with their note and single dose of over-the-counter-medication, where it is to be kept until needed. The medication will be sent home at the end of the day if not used. Illegal drugs or medications are not permitted on school property.

Medicine-Procedures

Asthma Inhalers

Students are authorized to possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms, or before exercise to prevent the onset of asthmatic symptoms, at school or at any school sponsored activity only if a self-medication authorization form (Form MEVS H-3) is on file in the school office. This form includes all the information listed above in the prescription medication form, plus information specific to the self-administration of asthma inhalers (see board policy for details).

Emergency Medications

Some students have medical conditions that may require immediate administration of emergency medication. Examples include bee sting allergy and diabetes. A student may carry emergency medication, (such as epi-pens, inhalers, etc.) only if the required information is on file (Form MEVS H-2) in the school office from the physician and parent. Information regarding special circumstances for administration of the prescription medication must be noted by the physician under "special storage conditions" on the physician's portion of the medication form. This is for the safety of the students and so that school staff will be aware of possible life-threatening situations.

Non-Prescription (Board Policy)

Students should not, under any circumstances, provide any type of supplements to other students. These supplements include, but are not limited to, vitamins and diet supplements. A student in possession of supplements should have a note confirming parental approval.

To Stay or To Go: Guidelines for How Long to Keep a Sick Child Home from School

It is sometimes difficult to decide when and how long to keep an ill child home from school. The following are guidelines for some of the more common childhood illnesses and our usual recommendations. It is always a good idea to contact your physician for specific diagnosis and treatment. Please keep these guidelines available for future reference.

CHICKEN POX: This is a skin rash consisting of small blisters which leave scabs. A slight fever may or may not be present. Your child should remain home until all blisters have scabbed over, usually 5 – 7 days after the appearance of the first blisters.

COMMON COLD: Symptoms of a cold include irritated throat, watery discharge from the nose and eyes, sneezing, chills, and generalized body discomfort. Your child should remain home only if symptoms are serious enough to interfere with his / her ability to learn. Medical care should be obtained if symptoms persist beyond 7-10 days, fever develops, or discharge becomes yellow or green.

FEVER: If your child's temperature is 100 degrees Fahrenheit or greater (or 1 or 2 degrees above the child's normal temperature) s/he should *remain home until s/he has been without fever for 24 hours*. Remember, fever is a symptom indicating the presence of illness.

FLU: Symptoms of the flu include abrupt onset of fever, chills, headache, and sore muscles. Runny nose, sore throat, and cough are common. *Your child should remain home from school until symptoms diminish and the child is without fever for 24 hours.*

HEAD LICE: Lice are small wingless insects that lay eggs called nits. Nits firmly attach to the hair shafts near the scalp. They are small white specks and are commonly found at the nape of the neck and behind the ears. Following lice infestation, your child may return to school after receiving treatment with a pediculicide shampoo, all nits have been removed, and s/he has been cleared by the school nurse.

IMPETIGO: This consists of blister-like lesions which later develop into crusted pus-like sores. Itching is common. Lesions are commonly found around the mouth, or on exposed skin areas. *Your child should remain home from school until receiving 48 hours of antibiotic therapy and sores are no longer draining.*

PAIN: If your child complains, or behavior indicates, that s/he is experiencing persistent pain, s/he should be evaluated by a physician before being sent to school.

PINK EYE: Redness and swelling of the membranes of the eye along with burning or itching and matter coming from one or both eyes is present. *Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eyes has stopped.*

SKIN RASHES: Skin rashes of unknown origin should be evaluated by a physician and the diagnosis reported to the office before your child is sent to school.

STREP THROAT & SCARLET FEVER: Strep throat begins with fever, sore and red throat, pus spots on the back of the throat, and tender swollen glands of the neck. With scarlet fever, there are all of the symptoms of Strep throat as well as a strawberry appearance of the tongue and rash of the skin. High fever, nausea, and vomiting may also occur. *Your child should remain home from school until receiving 24 hours of antibiotic therapy and until being without fever or vomiting for 24 hours.*

VOMITING AND DIARRHEA (INTESTINAL VIRAL INFECTIONS): Stomach ache, cramping, nausea, vomiting, and diarrhea are often present, along with possible fever, headache, and body aches. *Your child should be without vomiting, diarrhea, or fever for 24 hours before returning to school.*

SCHOOL UPDATES

Periodically (twice per month) a school update with information, activities, PTO activities and accomplishments of our students are sent home electronically to each family. *If your e-mail address changes, please contact the school office. Non-custodial parents may request a mailing of the newsletter if desired. Also, check out the MEVSD website for more up-to-the-minute information and school specific dates at: www.marysville.k12.oh.us

PARENT CONFERENCES

You are encouraged to schedule a conference to discuss your child's progress throughout the school year. Please contact your child's teacher to make arrangements. This means of communication is perhaps one of the best for the child, parents, and the school personnel. Pre-planned conference sessions are scheduled for the school year as noted on the school calendar.

PARENT VISITATION

Parents are welcome to visit our school for special programs and class observation. Plans should be made by contacting the school office or the teacher 24 hours prior to any class observation. The length of the class observation/visit will be determined by the teacher and or principal.

Adults Entering the Building

According to Ohio Revised Code 3313.20, all persons entering the building or on school grounds are required by law to report to the office indicating their presence and sign in. Please do not report directly to the classroom, lunchroom, or playground during school hours. Administration asks that you do not disturb classes and interrupt the education of the children. This is done for the safety of all students.

Picking Up Your Child

If you need to pick up your child, come to the office and sign your child out from there. The office personnel will get your child for you. Parents also need to sign their child in from any appointment or due to any reason for being late to school.

PARENT-TEACHER ORGANIZATION

The School Parent-Teacher Organization (PTO) extends an invitation to each family to join the PTO organization. Please check notices sent home with your child concerning the various activities PTO will be conducting throughout the school year.

PEDICULOSIS (HEAD LICE)

Occasionally we have reports of head lice. The only way to eliminate this nuisance is for you to check regularly and treat when necessary. Parents are the most important means of controlling this health problem. The child will be excused for one day for treatment for the first incident of pediculosis. Should future incidents occur, any days missed will be deemed unexcused.

If your child has had lice, you must have clearance from our school office/nurse stating that your child has been diagnosed nit - free before they will be permitted to return to class. **Parents must accompany their child to the school office and wait while they are checked to be sure that he/she is cleared to attend class.**

CHECK DAILY If upon examination of your child's head you find suspicious evidence of pediculosis, the school suggests a safe and easy method to follow for getting rid of head lice.

- Secure appropriate products for treatment, which are available wherever pharmaceuticals are sold.
- Shampoo as directed.
- Comb with a fine toothed comb.
- Follow label directions regarding further treatment.
- Remove all nits, as our school has a no-nit policy.

PERSONAL ITEMS

Students are not permitted to bring personal items (toys, balls, games, etc.) to school. Such items can become lost or damaged. The school cannot assume responsibility for losses or damages.

PICTURES

Student school pictures are taken in the fall and or spring. Whether you wish to purchase school pictures is your choice. All students will be photographed for school records. A yearbook is available for students to purchase and will be with delivered to your child before the end of the school year.

PLAYGROUND RULES - GENERAL

- Fighting at school or on grounds at any time will not be tolerated and can result in suspension.
- Stay on designated playground area.
- Hard balls, baseballs, and super balls are not permitted at school.
- Capture games are not permitted.
- Rocks, stones, sticks, ice, or snowballs are not to be thrown.
- Use equipment the way it was intended.
- Once children are outside, they are not to go back into the building unless permission has been granted from the teacher on duty.
- Students should line up quickly and quietly by class when the bell rings or whistle blows.
- Only equipment provided by the school is permitted on the playground.

RECESS POLICIES

Weather permitting; students are given outside recesses each day. Decisions to have outside recess during cold weather will depend upon the temperature and the wind chill factor, (20 degrees Fahrenheit or below). Students should always dress for outside recess. Students will have supervised recess indoors on days when bad weather prevents outside activities. Principal has final decision on whether recess occurs due to other circumstances as well.

SCREENINGS (HEALTH)

The school district provides screenings in three categories: dental, vision, and hearing. Dental screening is done in second grade. Vision and hearing screenings are mandated by the State; vision in grades K-1-3-5-7-9, and hearing in grades K-1-3-5-7-9.

Screenings can be provided at times other than those listed above, if requested. Questions about the screening procedures should be directed to the school nurse/clinic aide. Parents who wish to have their children excluded from screenings may do so by notifying the school principal.

STRANGERS

Parents are expected to warn their children about talking to strangers and reporting strangers to parents or teachers. In addition, parents are encouraged to watch for and report strangers loitering around the school or between school and home.

STUDENT CODE OF CONDUCT

PART I – RIGHTS AND RESPONSIBILITIES

The Marysville Board of Education shall, in compliance with State Law, provide for the educational opportunity of all residents between the ages of five and twenty-one living within the school district. All students have equal access to all educational resources necessary to receive an education. This includes the opportunity to participate in curricular, as well as co-curricular, activities.

In the process of pursuing their education, students have the responsibility not to interfere with the rights of others who are also pursuing the same educational opportunities. By accepting the right to participate in school programs on or off school property, the students shall also accept the responsibility to conduct themselves according to the rules, regulations, and provisions governing the operation of these programs.

Students of the District must conform with school regulations and accept directions from authorized school personnel. The Board has “zero tolerance” of violent, disruptive, or inappropriate behavior by its students. In addition, the Board will not tolerate excessive truancy.

Students attend Marysville School under the direction of state law. A student will not act in a manner which may cause injury to, or the loss or damage to the property of other students or school district officials or employees, whether on or off school property. Students shall comply with all state laws and municipal ordinances with regard to their conduct toward the person or property of school officials, employees, or other students.

Conflict Resolution: Conflicts can be caused by inappropriate behavior or simply by a disagreement about facts or feelings. While we must accept conflict as a natural and inevitable part of living, we need not accept violence as a response to conflict. Conflicts can be solved peacefully without fighting, name-calling or hurting the feelings of others.

A school environment conducive for all students to learn must be free of all forms of violent and disruptive behavior, including physical and verbal abuse, sexual harassment and all forms of discrimination. Creating safe environments for students and staff requires schools, students, parents and communities to work together using prevention strategies.

SUCCESSFUL WAYS TO DEAL WITH CONFLICT AT SCHOOL

1. Calm down before reacting or retaliating-temporarily remove yourself from the problem so you can think clearly.
2. Regroup – state the problem – be specific at what’s bothering you. Don’t listen to hearsay.
3. Get advice – preferably from a parent or other adult.
4. Get a game plan – and consider all the consequences.
5. Handle the problem privately, not publicly.

POSSIBLE STEPS FOR HANDLING CONFLICT

1. Let the person be aware of your feelings but do this in an appropriate manner. Be assertive when necessary – but don’t lower your standard of behavior.
2. If conflict continues then let a staff member be aware. Do this privately and appropriately.
3. Get a game plan with the staff member – feel free to offer constructive solutions in an appropriate manner – and continue to report the conflict if it should continue.
4. See a counselor and/or administrator if the problem continues.

Hazing and Bullying: Hazing means doing any act or coercing another, including the victim, to do any act of intimidation or harassment to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Bullying is an intentional, written, verbal or physical act that a student has exhibited toward another particular student more than once. The behavior causes both, mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.

Permission, consent or assumption of risk by an individual subjected to hazing and/or bullying does not lessen the prohibition contained in this policy.

Prohibited activities of any type, including those activities engaged in via computer and/or electronic communications devices, are inconsistent with the educational process and are prohibited at all times. No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing and/or bullying activities. No students, including leaders of student organizations, are permitted to plan, encourage or engage in any hazing and/or bullying.

Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances, or events that might include hazing and/or bullying. If hazing and/or bullying or planned hazing and/or bullying is discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all hazing and/or bullying activities immediately. All hazing and/or bullying incidents are reported immediately to the Superintendent and appropriate discipline is administered.

The Superintendent/designee must provide the Board President with a semiannual written report of all verified incidents of hazing and/or bullying and post the report on the District's website.

The administration provides training on the District's hazing and bullying policy to District employees and volunteers who have direct contact with students. Additional training is provided to elementary employees in violence and substance abuse prevention and positive youth development.

District employees, students and volunteers have qualified civil immunity for damages arising from reporting an incident of hazing and/or bullying. Administrators, teachers, other employees and students who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State and Federal Law.

No one is permitted to retaliate against an employee or student because he/she files a grievance or assists or participates in an investigation, proceeding or hearing regarding the charge of hazing and/or bullying of an individual. STAY SAFE. SPEAK UP! is an anonymous system for reporting bullying and other safety concerns. To report a concern, simply visit our district web site and look for the STAY SAFE. SPEAK UP! icon. The system will send your anonymous report to the appropriate people to address your concern.

Any such expulsion shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. The Superintendent may, in his/her sole judgment and discretion, reduce such expulsion to a period of less than one year, on a case-by-case basis, by taking into account the following circumstances.

1. Applicable state or federal laws relating to students with disabilities (i.e., the incident involves a student with a disability and the misconduct was a manifestation of the student's disability);
2. Extent of culpability of the student (i.e., the age of the student and its relevance to the misconduct and/or punishment; evidence regarding the probable danger posed to the health and safety of other pupils and/or of school employees by virtue of the offense, including the student's intent); and/or

Pocketknives with a blade of less than 2½ inches in length shall be permitted for school purposes only with the prior approval of the student's parents and teacher.

Violent Conduct

If a student commits an act at school, on other school property, at an interscholastic competition, extracurricular event, or any other school program or activity and the act (a) would be a criminal offense if committed by an

adult, and (b) results in serious physical harm to person(s) as defined in Revised Code Section 2901.01(A)(5), or to property as defined in Revised Code Section 2901.01(A)(6), the Superintendent may expel the student for a period of up to one year. The student needs not be prosecuted or convicted of any criminal act to be expelled under this provision.

If a student is suspended, expelled, removed or permanently excluded from school for misconduct involving a weapon as defined in board policy, the Superintendent shall notify the registrar of motor vehicles and the county juvenile court within two weeks after the discipline is imposed.

Appeal Procedure

A student or a student's parent(s) or guardian(s) may appeal the expulsion to the Board of Education or its designee. The appeal must be filed in writing with the treasurer within 10 days of the notice of expulsion. If an expulsion is appealed to the Board or designee, the student/parent/guardian shall be granted a hearing before the Board or its designee in order to be heard against such expulsion. At the request of the parent, the hearing shall be in executive session; otherwise, the hearing must be in open session. The student/parent/guardian may be present in all such appeal proceedings. A verbatim record will be kept of the hearing.

Appeal to the Court

Under State law the decision of the Board or its designee may be further appealed to the Court of Common Pleas.

Any student who is expelled from school for more than 20 days or into the following semester or school year will be provided information about services or programs offered by public and private agencies that will work toward improving those aspects of the pupil's attitudes and behavior that contributed to the incident that gave rise to the pupil's expulsion. Such information will include the names, addresses and phone numbers of the appropriate public and private agencies.

STUDENT INTERROGATION

Interrogations by Police or the Department of Job and Family Services/County Children Services Board

The Board of Education is committed to protecting the students from individuals not associated with the school system, but also recognizes its responsibility to cooperate with law enforcement agencies and the Department of Job and Family Services/County Children Services Board. The following steps will be taken:

1. Except as specified below or where a school administrator has made an independent determination that reasonable grounds exist for conducting an interrogation without parental consent, law enforcement agencies and or Children Services will not be permitted to interview students without the express permission of the student's parent or legal guardian.
2. If possible, the student's parent or legal guardian should be notified before the student is questioned by police or officials from Children Services, so that the parent/legal guardian may be present, if they so desire.
3. Whenever possible, police officers and/or Children Services should contact and/or question students out of school. When it is absolutely necessary for an officer or Children's Services official to make a school contact with a student, the school authorities will bring the student to a private room and the contact will be made out of the sight of others as much as possible.
4. The school principal must be notified before a student may be questioned in school or taken from a classroom.
5. A school official will request to be present when an interrogation takes place within the school.

6. Students shall not be permitted to leave the school with an officer or Children's Services official unless the official presents the Principal with a Court Order granting the official custody or specifically granting Children's Services permission to remove the student.

7. Law enforcement officers, Children Services, or others shall not be permitted to interrupt normal school activities during the course of their investigations.

8. Police/Children's Services may interview minor students without prior parental permission if they are investigating allegations of child abuse involving the parent/guardian, at the discretion of the principal.

STUDENT RECORDS AND DIRECTORY INFORMATION (FERPA)

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that the MEVSD, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the MEVSD may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the MEVSD to include this type of information from your child's education records in certain school publications. Examples include, but are not limited to:

- Playbill, (showing your student's role in a drama production)
- Annual Yearbook
- Honor Roll or Other Recognition Lists
- Graduation Programs
- Sports Activity Sheets, (such as Athletic Programs, Showing Weight and Height of Team Members, etc.)

Directory Information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEA's) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories: names, addresses, and telephone listings; unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want the MEVSD to disclose directory information from your child's education records without your prior written consent, you must notify the District/School in writing within two weeks from the beginning of school, or within two weeks of the student's enrollment in school. The MEVSD has designated the following information as directory information:

- Student's Name
- Student's Address
- Student's Date of Birth
- Student's ExtraCurricular Participation
- Student's Achievement Awards/Honors
- Student's Height/Weight (Athletics)

TEXTBOOKS/LIBRARY BOOKS/ EQUIPMENT

Students shall be responsible for their textbooks. Lost textbooks, including literature books or textbooks excessively damaged beyond normal usage shall be the responsibility of the individual students.

Replacement costs and/or fees will be assessed accordingly.

Library books borrowed by the individual shall be the student's responsibility.

TRADING

Students should not trade any personal belongings with other students. This also is in regard to exchanging money for personal belongings as in renting, buying or selling.

WEBSITE

MEVSD maintains a district website with valuable information for parents and students. The address for the district site is: www.marysville.k12.oh.us

You can reach your child's elementary school's homepage by following the appropriate links on the district homepage.

District and Building websites are a source of information for students, parents and the community.

WIRELESS COMMUNICATION/ENTERTAINMENT DEVICES

Students are permitted but not required to bring electronic devices to school and are expected to use these devices responsibly. Students may use electronic devices during lunch. Students may not take any type of picture, audio, or video recording without explicit prior approval from a staff member at any time, even if students included in this picture or recording have given consent. This includes "selfies." Classroom teachers will indicate whether or not electronic devices are permissible on a day by day basis. When not permitted for use in class, devices need to be put away or placed face down on a desk. Teachers may also require students to place their device in a designated area.

The district is not liable for loss of or damage to devices at any time. Students are not to connect to the District network with devices without teacher permission and guidance.

Use of any form of a camera device is strictly prohibited in any situation in which there exists a reasonable expectation of personal privacy.

Violations of this policy may result in disciplinary action and/or confiscation of the Wireless Communication Device. The building principal may also refer the matter to law enforcement if the violation involves an illegal activity.

Confiscated devices may be subject to search to the extent necessary to investigate violations of school policy. Wireless Communications/Entertainment Devices can be held for a longer period of time if it is part of an

on-going investigation by administration. School administration may review Wireless Communications/Entertainment Device information to investigate violations of school policy.

1:1 DEVICES

If students are assigned a 1:1 technology device the following rules and guidelines apply.

Protecting Your Data and Files

Students are responsible for the appropriateness of all files, data, and internet history on their device. Although these devices will be logged and filtered on and off campus it is still the responsibility of the student to use good judgement when accessing or transmitting data. Do not take photos or video of other students or staff without their permission. The possessing, forwarding, or uploading of unauthorized data, photos, audio or video to any website, network storage area, or person is strictly forbidden. Do not access another individual's materials, information, or files without permission.

Cost of Repairs

Marysville School District recognizes that with the implementation of the one-to-one initiative there is a need to protect the investment by both the District and the student/parent. Repairs will be billed at the direct cost of the repair without any markup. Repair costs to the device will be applied to the student's fee account.

Audio & Sound

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Ear buds/headphones may be used in the classroom based only upon individual teacher approval.

Device Identification

Student devices will be labeled in the manner specified by the district. Devices can be identified based on serial number. Students may not remove any identifying labels or markings.

Technical Issues/Damage/Loss

Take your device to your school's office or library if you experience any technical problems or damage. If it cannot be fixed at that time, a loaner device may be issued to you, if available. All device policy agreements remain in effect for the loaner device. If your device is stolen or damaged by another party, please report it to the office immediately. Your claim will be investigated further by the school district and/or the appropriate police agency.

Accidental damage is the responsibility of the parent/guardian.

Homeowner's Coverage for Take Home Devices

For devices which are permitted to leave school grounds students or parents may wish to carry their own personal insurance to protect the device in cases of theft, loss, or accidental damage. Please consult with your insurance

agent for details about your personal coverage. However, the student's liability is limited only by MEVSD policies, not the private policy. If the private policy will not cover the full cost of the damage or loss, the student/parent is still responsible for the difference.

MEVSD Accidental Damage Plan

The district will provide an option to enroll in an Accidental Damage Plan (ADP). If paid in full prior to any damage, the ADP will release the parent/guardian from having to pay for loss or damage for the following reasons;

- Damages resulting from normal use and accidents.
- Loss or damages resulting from theft. An official copy of a police report is required.
- Loss or damages resulting from fire. An official fire report from the investigating authority is required.
- Loss or damages resulting from natural disaster.
- Damage resulting from a power surge.
- Damages resulting from vandalism by another individual. If found guilty, the vandal will be liable to pay for damage/replacement.
- The plan will cover two incidences per school year.
- The Building Administration will determine if the damages were due to negligence or accident.
- Exclusions (items not covered):
 - Device charger and/or case, unless included in theft or fire
 - Intentional damages
 - Lying or falsification within any damage report
 - Not carrying device in district-approved protective case (if provided)
