

BMS Buckets for Troops

The BMS Career Connections classes are sending care packages overseas to American Soldiers and we need your help!

What: Custom-made care packages sent overseas in a bucket with secure lids including items such as: personal hygiene items, washcloth, chips, peanut butter, beef jerky, pretzels, soup, mints, candy and notes from school students. We chose the bucket as the shipping method because the soldiers can reuse it for storage. If you have any other item suggestions, please contact us!

Cost: \$30 to sponsor your own bucket and have your name placed on the sponsors list. This bucket can be sent to a specific person if desired. Sponsors of \$30 will also receive a token of appreciation to promote patriotism at home. Donations of any size will be greatly appreciated. If you'd like to be a bucket sponsor or make a donation, please contact:
