COMPUTER/ONLINE SERVICES ACCEPTABLE USE AND SAFETY AGREEMENT
PARENTAL RELEASE FORM

As the parent/guardian of this student, I have read the Computer/Online Services Acceptable Use and Safety Policy within the Student Handbook and have discussed them with my child. I understand that the student access to the internet is designed for educational purposes and the Board has taken available precautions to restrict and/or control student access to material on the Internet that is obscene, objectionable, inappropriate and/or harmful to minors. However, I recognize that it is impossible for the Board to restrict access to all objectionable and/or controversial materials that may be found on the Internet. I accept responsibility for communicating to my child guidance concerning his/her acceptable use of the Internet-i.e., seeing and conveying standards for my daughter/son to follow when selecting, sharing and exploring resources on the Internet. I further understand that students will be held accountable for violations.

With my signature below, I give permission for my child to access the Internet at school and of the Board to issue a Network/Internet account to my child.
