

## SACC School Days Off Program FAQ's 2016-2017

**WHAT IS SCHOOL DAYS OFF?** School Days Off (or SDO) is a full-day program offered to students in kindergarten through sixth grade on some of the regularly scheduled Marysville Schools breaks and Teacher Professional Days. This program is open to all students in or outside of the Marysville Exempted Village School district. Students are supervised by qualified SACC staff members who are youth development experts, trained to work with school age students. Students are invited to participate in age-appropriate activities, including STEM, arts and crafts, sports and games. Students typically attend a field trip, and a signed permission slip is required. A morning and afternoon snack is provided. Students should bring their own lunch and a drink. Gym and/or outside play time is also offered every day.

**WHAT ARE THE HOURS AND DATES OF OPERATION?** Our SDO program begins at 6:30 a.m. and operates until 6:00 p.m. Please view the Days of Program Operation calendar on our website for exact dates or contact the SACC office.
