## **Marysville Schools on ballot with two issues November 6, 2018**

"Marysville Schools is on the ballot for TWO Issues November 6 and they are a zero increase in taxes"

- **A renewal of the 6.56 mill levy**, making it a continuing levy. The levy was originally passed nearly 30 years ago and generated \$3.2 million. The renewal would maintain the current level of funding necessary to operate our schools. By making it a continuing levy, it will ensure residential taxpayers continue to receive a 10 percent rollback reimbursement from the state.
- **A no new millage permanent improvement levy**. This ballot issue allows the district to shift a portion of the tax dollars you are already currently paying to the bond fund into the permanent improvement fund, instead. There, the funds can be used to maintain our facilities and hire an additional school resource officer. It is **NOT** an increase in taxes, only a shift in how the tax is allocated.
