Behavior and Dress Guideline for MHS Dances

The following guidelines have been developed within the spirit of the Marysville Board of Education approved dress code with adaptation for prom, homecoming and events. The guidelines have been established to include behavior and dress.

Behavior:

The MHS Board of Education approved Student Code of Conduct will be in effect at all times. Students who choose to bring an outside guest will be responsible for making sure a properly completed and approved application is on file for that guest and for making sure the guest is able to provide identification upon arriving at the event. Students are reminded that age limits or attending school dances are 9th grade through age 20. Students are responsible to properly inform and clarify the Student Code of conduct to their dates.

Dancing:

The homecoming, dances and the junior/senior prom are special events with wonderful traditions like the crowning of the king and queen. Students and parents go to great expense to provide transportation, dinner, and appropriate dress that adds to the prestige of these dances. To ensure these events remain ones of class, inappropriate dancing will not be tolerated. Students involved in dance moves such as slam dancing, provocative grinding, forming human sandwiches, on the floor, and/or inappropriate touching will be asked to leave the dance without a refund and not be permitted entrance to After Hours. 'Mosh pit' dancing or any other dancing which is perceived to endanger the safety of others will not be tolerated.

Boys Formal Dress:

Formal attire may be classified as tuxedo, suit, sports coat, blazer, including a tie, bow tie, turtle neck, shirt or priest collared shirt which may include a vest or cummerbund. Shirts are to be worn at all times.

Girls Formal Dress:

Traditionally formal dresses or gown may be strapless or may feature spaghetti straps. Bare of open backs are acceptable; however, bare stomachs or bare midriffs are not permitted. Garments that are extremely tight or extremely low-cut are also unacceptable. Should you be unsure about the acceptability of your planned attire, you may present your attire for review by a faculty/administrative review committee ahead of time.

The administration, faculty and Board reserve the right of final judgment on what is appropriate and acceptable. Students whose dress and behavior do not meet the guidelines may be denied admission to the event or asked to leave.

We hope that your dances and/or Prom will be an evening that provides many enjoyable memories that last a lifetime.
