

Summer Cooking Camp

If you're trying to decide what your kids will be doing in their time off, Cooking Camp might be the answer. So roll up your sleeves, feel the dough between your fingers and get ready to slice and dice. Each camper will create a cookbook and get their very own chef's apron. At the end of the week parents will be invited in to taste some of the treats the campers have made and each camper will receive a Chef certificate of completion.

My goal is to provide a safe, fun and educational environment where campers can learn to read recipes, cook and bake, work safely in a kitchen, and enjoy eating some sweet treats. At Cooking Camp, campers don't just sit around and observe, everyone participates and feels a sense of delicious accomplishment. Cooking Camp is a wonderful opportunity to expose your child to new foods that encourage them to expand their culinary palates! I hope you'll join me this summer.

Remember, cooking lessons are lessons for life! Cooking Camp is supervised by Judy Rubadue. I have been teaching young children for 29 years and this will be my seventh summer for cooking camp. I love to cook (especially in the summer!)
