### Signing your student out Early? Need to change your student's end of day transportation plan?

With the end of the school year just around the corner and end of year activities starting up, we wanted to remind parents of the proper procedure to sign a student out early or change their normal end of day transportation plan.

#### ★ Early Dismissals & Signing Students Out

**Early Dismissals:** If your child will be picked up from school early, please send a note or email (**with student's first and last name**) to school with your child on the day of early pick up. If somebody other than a parent/guardian will be picking your child up, please include their first & last name in the note (email) signed by the parent/guardian. **We will NOT release your child to ANYONE other than a parent/guardian without proper notification from the parent/guardian.** Upon arrival to pick up, we ask that you ring the bell at the school main entrance (A) where you will be let into the main office. The office staff will ask to see your (or designated person picking up) valid ID. Once your (or designated person's) ID has been verified the person picking up will be asked to sign the student out at the front office. We will get your student to the office as quickly as possible.

#### ★ Students going home different than their "Normal Procedure" at the end of the day

Anytime your child will be going home after school different from their "Normal Procedure", please send in a note (or email) to your child's teacher. **Please include your child's first and last name.** If somebody other than a parent/guardian will be picking up your child, please include their name in the note signed by a parent/guardian. If calling our office to make a change in your child's transportation plan, please call us at (937) 578-6600 no later than 2:45 p.m
