

MARYSVILLE
Exempted Village School District

Due to the challenges and restrictions presented by the coronavirus, Marysville Schools did NOT accept 2020-2021 Open Enrollment applications beginning April 1st. This information was mailed directly to current open enrolled families as well as posted to our website in March.

NEW APPLICATION PROCESS:

The Google link/online application below will start accepting applications at **approximately 8:00 AM on Friday, May 8th** for the parent/guardian to complete.

Please [CLICK HERE](#) to submit your Open Enrollment Application for the 2020-2021 school year.

- **Note:** If you have multiple children, please submit information separately for each child; for example, if you have three children, you will submit three different applications via the Google link/online application

All applicants will be notified of acceptance or denial by the end of the first full week in August as we must monitor residential enrollment closely. If a decision can be made sooner, it will be communicated to you by the district. We appreciate your patience and understanding.

The final date for online submission of an open enrollment application is still June 21st. Please note, we require that a **Proof of Residency** (must one of the following: gas bill, water bill, electric bill, signed lease or a mortgage statement) be turned in along with the completed online open enrollment application. Within your online application, you will select which method you will provide this information to our District Registrar, Shannon Bretz.

If your child has already scheduled classes for Creekview Intermediate, Bunsold Middle School, Marysville High School or the Marysville STEM Early College High School, please be aware that their 2020-2021 schedule is on hold pending approval of their open enrollment application.

If you have any questions, please reach out to Shannon Bretz at 937-578-6145 or email her at shannon.bretz@mevsd.us.

**OPEN ENROLLMENT: Open Enrollment is for families living outside of the Marysville Exempted Village School District boundaries. If application is approved, transportation is the responsibility of the parent/guardian.*
