Important information for families. First and foremost, please stay safe both physically and mentally. Practice good hygiene including: washing hands, using proximity, and staying at home if you feel ill. I understand that this is a stressful situation, take one thing at a time, and know that we are here to support you through this process.

- Teachers are required to be online and responsive with families during this time.
- Phone lines **937-578-6800** will be open and voicemail will be checked regularly during the school closure.
- I will be available at Thomas.holdren@mevsd.us and will respond in 24 hours at any time during school closure.
- Mr. Stackhouse will be available at njstackh@mevsd.us and will be equally responsive.
- 5 Lessons for each grade will be added to the Edgewood Website on 3/15/2020 and 3/29/2020
- Call the school today if you **DO NOT** have a device at home.

As Superintendent Allen stated in her video, this is a unique situation that none of us have encountered. Please continue to ask questions and stay engaged in conversation with the building and your child's teacher, as open communication is the key to any positive outcome.

Thank You,

Thomas Holdren

Principal
