

Union Co Elite FC (UCISL) 2023 Spring Season
Recreational Soccer Season Information Season

Union Co Elite FC offers recreational soccer for those kids who have never played soccer or just want to play soccer for fun without an emphasis on competition. Players can start who have a birth year 2020, and we offer recreational teams up to birth year 2004. Spring practices will start week of March 20, 2023. Games will start April 15, 2023, and finish on May 20, 2023.

Parent coached, small-sided, single-gender teams are a hallmark of our program. We promote technical, tactical and character development for kids of all skill levels in a fun, family environment. Our registration fee continues to be affordable and is based on age, level of play and includes membership in Ohio South, Accident Insurance, a uniform shirt, training for coaches and referees...and much, MUCH more!

UCISL Programs

- Teams are formed based on birth year and gender.
- Teams are sorted based on experience, coach evaluations, and birth year. We do not take requests to be on a certain team or to be with a certain coach or player.
- All teams are coached by parent volunteers. Coaches will be allowed to schedule practices on a day that works best for them and most of the team. No experience is necessary to volunteer to coach. We offer training from Elite FC professional coaching staff.
- Practices are once a week generally Mon-Fri starting 5:30 or after at UCJRD
- Ages 2-10 games are on Saturday mornings into early afternoon at UCJRD. Ages 11-12 home games are at UCJRD and away games are in Delaware and Plain City on Saturday mornings and afternoons.
- Children are required to wear shin guards (under their socks) and tennis shoes or soccer specific cleats for practices and games. Players will be provided with matching shirts for game days. Shorts and socks can be any color. No jewelry is permitted during practices or games. This includes small earrings.

MSSA & HSSA Program

- Home games and practices are in Marysville. Away games are in the Central Ohio area. Games are scheduled by MSSA/HSSA and vary during days of the week and weekends.
- Teams are formed based on number of participants and coaches. Limited spots are available. Teams are coached by parent volunteers and practice two to three times a week.
