UNION COUNTY FAMILY YMCA HURRICANES

UCY Hurricanes Swim Team is a fun and instructional competitive swim team offering high-quality professional coaching for all ages and abilities. The goal of our team is to provide every member an opportunity to improve swimming skills and achieve success at his or her level of ability, from novice to international competitor. We believe strongly in the function of the team environment and the role of peers in encouraging swimmers to reach their goals. All of our coaches, as members of the American Swimming Coaches Association, have access to the most comprehensive training and certification program for youth coaches of any sport in the United States. They provide assurances that the time children spend swimming will be quality time.
